During our four years at Muhlenberg College the key word seems to have been "change" and the prevailing attitude "apathy." Thus we decided to attempt to ignite a spark of interest by changing the manner in which the CIARLA has traditionally been handled. In order for you, as a Muhlenberg student, to understand the 1972 CIARLA it is necessary for us to briefly explain what we have set out to do in these few hundred pages. Tradition has been broken, as it has been many times in these past four years, by employing four booklets in place of one hard-bound volume. These four booklets were carefully designed to resemble other college publications which the Muhlenberg student encounters during his college years. The sports' book represents a football program, the club book represents the college "M" Book, and the senior book represents the freshman "pig" book. Although the candid book was originally designed to represent the college catalogue, during the process of development it evolved into a pictorial essay of what Muhlenberg College is. We hope that our attempt to bring new life to the CIARLA will help dissipate some of the apathy which seems to plague the Muhlenberg campus.

Before closing up shop we wish to extend heartfelt thanks to all those who contributed their time and thoughts to the production of this yearbook. Special thanks go to Dave Alderfer, our photo editor, Mary Anne Tait, Hope Norcia, Sue Champion, Sue Friedman, Bob Booth, Bill Arnold and Mr. Donald Moore, our faculty advisor. Finally we must mention Bill O'Brien, our yearbook representative, who managed to survive the many problems we faced in putting together this book.

MUHLENBERG COLLEGE

The Students' Handbook
of
Muhlenberg College
Allentown, Pennsylvania

1971 • 1972

Muhlenberg College has established the "M-Book" to help orient incoming Freshmen and to keep upperclassmen up-to-date. This publication explains various campus traditions, services, governmental organizations. It also lists the school's extra-curricular activities and various regulations.

Freshmen will find the 'M-Book' a handy reference source of information about most facets of campus life. They should refer to the book frequently during their first few weeks at college.

Student Council

The Student Body, composed of all students of the College who have been regularly matriculated, elects its own President and representatives to Student Council, and governs itself through Student Council. The Council consists of seventeen students, seven of whom were Juniors, five Sophomores, and three Freshmen at the time of their election in the spring and two Freshmen elected from the new class in the fall. After the Student Body elects its President and the other members to Council, the new Council elects a Vice President, Secretary, and Treasurer. The Council is the supreme student governing body, through which all business is transacted and all the decisions pertaining to the Student Body rendered.

1st ROW: R. Brown, B. Breinig, M. Irving. *STEPS:* R. Barbour, J. Bjoranson, B. Mullan, B. Yates, S. Soffen, S. Hammond.

Just as the College is an academic community with its members working toward specific educational goals, the College is also a social community. Decisions on living conditions and social responsibilities of all the members can not be made by any single group and still maintain the unity needed in the College Community. It is also recognized that attainment of a better quality of life for all members can only be accomplished by honest communication of ideas by all members on common grounds.

The purpose of this organization, then, shall be to pro-

vide for self-government of the residence halls to improve the quality of life in the residence halls, to provide opportunities for participation in social and extracurricular life of the residence halls, to provide an opportunity for residents to participate as a group in all college activities, to foster fellowship and unity among the residents, and to refer those students who violate the rules established by this organization to the judiciary branch for further action.

Dorm Court

P. Nonnemacher, L. Gleason, K. Cundiff, R. Bush, D. Spisak.

The Dormitory Court shall have jurisdiction in all cases involving infractions of the dormitory regulations established by the Dormitory Government. It shall conduct hearings to determine whether infractions of the dormitory regulations have occurred and in cases in which

infractions are deemed to have occurred shall determine appropriate punishment for violators of the above as the regulations of the College and of the Student Council and of the Dormitory Joint Council may provide.

Muhlenberg Christian Association

The M.C.A. is a unique organization on the Muhlenberg campus in that it includes the entire student body, yet no demands are made on the individual other than what his own interests demand for fulfillment. Through the diversified activities of the eight standing committees, plus the various forums and programs presented to the student body, an effort is made to provide areas of participation for *every* individual. Because there is no official membership in the organization, M.C.A. is defined as being "a fellowship of students and faculty which strives to come to a better understanding of what Christianity means in today's world and to serve Christ through this understanding." Contemporary, realistic and vital in its outlook, M.C.A. will enable you to challenge your faith with meaningful questions and experiences that will result in new significance for the student's awareness of his responsibility to God and to himself, through the presence of Christ our Saviour.

The function of MCA, as that of any church body, is two-fold. It must witness to the news of our Lord Jesus Christ and serve as a vehicle by which its members can

encounter and explore the social issues of our times. Through the various committees whose specialized concerns are Bible Study, Art, Drama, Institute of Faith, Publicity, Social, Social Action, Christian Witness and Worship, the MCA strives to fulfill its responsibility. MCA provides not only the means for an individual to explore and deepen his spiritual life but it also offers an opportunity to become involved and serve in a variety of ways, thus giving one's faith the opportunity to take visible form. Programs sponsored by MCA in the more recent past include the planning of Chapel services and special programs, the production of religious dramas such as *Becket* and George Orwell's *1984*, and involvement in a large number of community action projects. However, the MCA, as any church body, is only as strong and as vital as its individual members. It needs active participation to be kept alive.

President Clifford Rehm

Advisers — Chaplain David H. Bremer and Dr. William Jennings

D. Ritter, D. Spisak, J. Fegaley, D. Wiktorek, J. Junker, J. Henrich, J. Pfanstiel, W. Reichert.

Institute of Faith

The I.F., an organization which plans an annual program of three or four days in length attempting to create a dialogue between guest speakers and students, is a standing committee of the Muhlenberg Christian Association. Outstanding leaders and personalities in diverse fields are selected and brought to the Muhlenberg campus. Their lectures and seminars are concerned with contemporary

topics and their relationships to Christianity, and are designed to appeal to students' academic and intellectual curiosity, interests and problems. In presenting a program such as this it is hoped each individual will have an opportunity to clarify and deepen his own faith.

Student Chairman Warren Reichert

B. Fleigleman, K. Weiss, A. Sachs, B. Silverman, S. Zimmt, C. Grossman.

Hillel

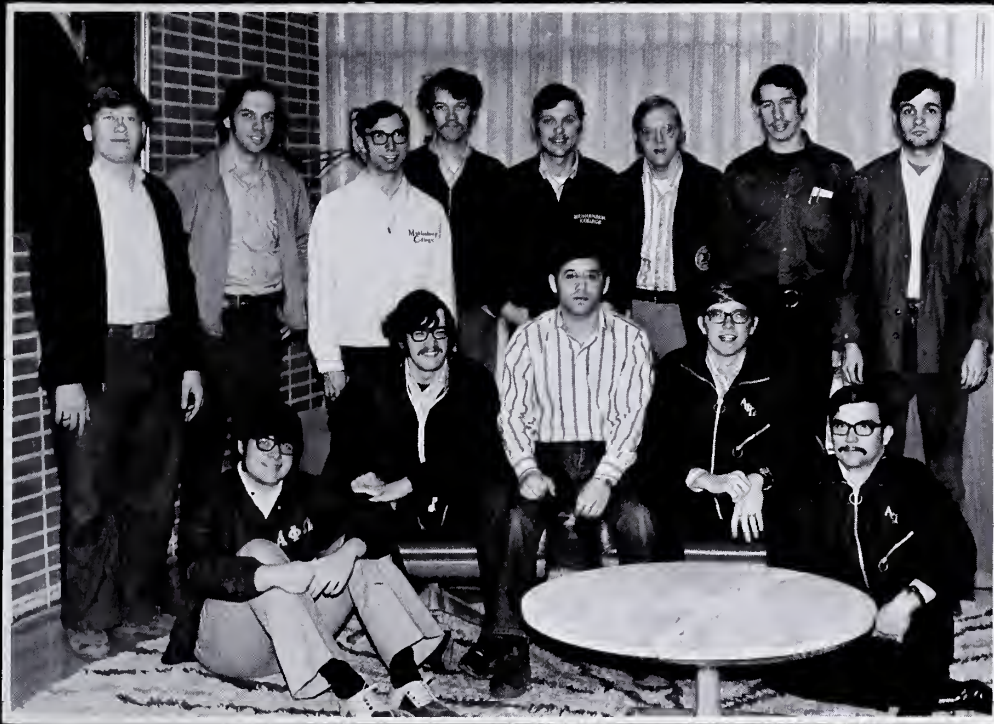

This group, named for a reknowned Rabbi of the first century B.C.E., is dedicated to the task of providing activities and a counselling service for Jewish college students. The program is designed to supplement the student's so-

cial, cultural, religious and recreational needs. Hillel leadership is drawn from the Jewish student body who, together with the adviser, are responsible for the activities.

Adviser Rabbi Tobias Roth

HONORARY FRATERNITIES AND SORORITIES

Alpha Phi Omega

1st ROW: C. Scharadin, A. Baker, J. Brand, V. Wehring, J. Kunkel. 2nd ROW: E. Jacobs, E. Shafer, B. Mitchell, D. Wittorek, N. Heckel, D. Searing, T. Dueller, P. Woll.

Alpha Phi Omega is a national service fraternity composed of college and university men. An earnest desire to help others and a satisfactory scholastic standing are the only other requirements for membership. No stipulation as to race, creed, or color exists, and members of both social and scholastic fraternities are eligible — truly a cross-section of college life.

Xi Alpha chapter implements the purpose and principles of Alpha Phi Omega through a program of service in four areas: service to the student body and faculty, service to youth and the community, service to the members of the fraternity, and service to the Nation as participating citizens.

President

Vernon Wehring

Faculty Adviser

Dr. Frank McVeigh

Alpha Psi Omega

The Gamma Mu chapter of Alpha Psi Omega extends membership only to upper-classmen, who, over a period of years, have made significant contributions to the development of drama on the Muhlenberg campus. To attain membership an individual may not specialize in one form of dramatic activity such as acting. He must be ready and willing to work cheerfully and skillfully at any task around the theater. In order that membership may be a true distinction, rarely are more than five members elected in any one year.

President

Neil S. Mogil

Faculty Adviser

Dr. Andrew H. Erskine

B. Spaninger, J. Smith, R. Walton, B. Beck, K. Reichley, C. Impink.

Delta Phi Alpha

The National German Honorary Fraternity, organized December 5, 1961, seeks to recognize excellence in the study of German and to provide an incentive for higher scholarship. The Fraternity aims to promote the study of the German language, literature, and civilization and endeavors to emphasize those aspects of German life and culture which are of universal value and which contribute to man's eternal search for peace and truth.

Qualifications for student membership shall be a minimum average standing of B+ in all German courses taken, a minimum of B- in all courses of study, a minimum of two years of German plus an official registration in an advanced course and an indication of continued interest in the study of German language and literature. Faculty Advisor ... Dr. Adolph Wegener

K. Wisser, C. Reeder.

Delta Phi Nu

Delta Phi Nu has served the College and assisted the community for eleven years as a service sorority. Since the sorority's organization in the Spring of 1959, members have taken an active part in College life, acting as campus guides, hostesses of various functions, and workers for several projects. Delta Phi Nu extends its service capabilities to aid and co-operate with other campus organizations whenever possible. In the community, members aid in charity drives, special events, and related areas upon request.

Membership in Delta Phi Nu is open to all sophomore, junior, and senior girls, regardless of race, color, or creed. President ... Susan Grassi, Faculty Advisor ... Mrs. Ralph Ardolino.

1st ROW: J. Musika, S. Grassi, J. Smith, U. Stammherr, S. McKently. 2nd ROW: K. Wagner, L. Mullins, D. Bausch, B. Gunning, R. Constantinou.

Lambda Epsilon Delta

The Lambda Epsilon Delta Woman's Honor Society of Muhlenberg College was established by the Faculty in May 1961. The purposes of this society are (1) to honor junior and senior women who achieve high academic standing and contribute to Muhlenberg College through other services and activities; (2) to create and maintain an organization of outstanding women students, which shall promote the highest religious, academic, and social activities of the College, and (3) to promote and to participate in those College activities which advance the welfare of the College. Eligible women from the upper 25 percent of the academic average of their class are selected into membership once in the fall and once in the spring. President . . . Patricia Stauffer, Faculty Adviser . . . Dr. Joanne Mortimer.

S. Locher, R. Richman, B. Sussman, B. Spanninger.

Omicron Delta Kappa

Alpha Epsilon Circle of Omicron Delta Kappa, national honorary leadership fraternity for men has as its purpose: (1) to recognize men who have attained a high standard of efficiency in collegiate activities and to inspire others to strive for conspicuous attainments; (2) to bring together the most representative men in all phases of collegiate life and thus to create an organization which will help to mould the collegiate interest; (3) to bring together members of the faculty and student body of the institution on a basis of mutual interest and understanding. The fraternity recognizes eminence in five major phases of campus life: scholarship; athletics; social and religious affairs; publications; and speech, music, and dramatic arts. President . . . Kenneth Reichley, Faculty Advisor . . . Dr. Nelvin Vos.

1st ROW: D. Ritter, B. Small, B. Beck, S. Hessler, S. Pollock. *2nd ROW:* B. Walton, E. Schartz, D. Detwiler, E. Shafer.

Phi Beta Kappa

Phi Beta Kappa is a national organization, founded in 1776, to confer recognition of scholarly attainment in the liberal arts and sciences. Muhlenberg's Pi Chapter, chartered in 1968, elects student members on the basis of six and seven semesters. An annual banquet is held in the spring, and the chapter sponsors the appearance of a Phi Beta

Kappa Visiting Scholar each year. Pi Chapter annually awards a book prize in the amount of \$25.00 to a graduating student best exemplifying the aims of Phi Beta Kappa at Allen High, Dieruff High and Central Catholic High School.

Pi Delta Epsilon

Pi Delta Epsilon, the national honorary journalism fraternity, was begun at Muhlenberg in 1953. The main purpose of the chapter is to recognize outstanding individuals in the fields of journalism, communications and creative writing and to promote cooperation among the various campus media.

The fraternity works throughout the year to enrich and assist student publications and communications systems. Each spring the Pi Delta Epsilon Award for Excellence in Journalism, Communications and Creative Writing is presented to the Muhlenberg student who has made the greatest contribution in these areas. President . . . Linda Stolz, Faculty Adviser . . . Dr. Harold Stenger.

L. Stolz, D. Van Weren, L. Feathers.

Phi Sigma Iota

Lambda chapter of Phi Sigma Iota, national romance language honor society, is the second honorary society established on the Muhlenberg campus. It was installed on December 5, 1928. At the monthly chapter meetings, the programs deal with some phases of the cultural life of countries where Romance Languages are spoken. These programs feature papers based on original research presented by senior undergraduate members. Superior grades in the Romance Languages are a prime requisite for membership, in addition to above average competence in all academic areas. Membership is limited to upperclassmen. President . . . Candace Barr, Faculty Adviser . . . Dr. Kenneth Webb.

P. Mora, Dr. J. Pearce, C. Barr.

Phi Alpha Theta

Kappa chapter of Phi Alpha Theta, national honorary history fraternity, beginning in February 1926, as a local history club, was admitted into the national fraternity in 1929. The fraternity's purpose is to recognize "conspicuous attainments and scholarship in the fields of history."

An undergraduate to be eligible for membership must have to his credit at least twelve semester hours of history and have a vital interest in history. In addition, his grades in History must average "B" or better and the general average of two-thirds of his remaining work must be "B". The chapter meets periodically for discussions, not only of historical, but also of political and economic value.

President Janet Pappas
Faculty Adviser Dr. Renville Lund

J. Smith, J. Pappas, A. Reithmiller, E. Graham, B. Mitchell.

Psi Chi

Psi Chi, national honorary psychology fraternity was initiated at Muhlenberg in December, 1959. Its purpose is to advance the science of psychology and encourage scholarship in all academic fields, particularly psychology, among its members. In order to become a member, a student must be a Psychology major, have completed 12 hours of psychology with at least a "B" average, and be accepted by all members of the fraternity.

Sigma Tau Delta

Gamma Iota chapter of Sigma Tau Delta, instituted at Muhlenberg in October, 1963, is one of one hundred thirty-two active chapters in the national professional English fraternity. Its purpose is "to promote the mastery of written expression, to encourage significant reading, and to foster a spirit of fellowship among men and women specializing in English."

The chapter meets monthly for literary talks and discussions, sponsors literary speakers and workshops on cam-

pus, and organizes theatre trips. To be eligible for membership an undergraduate must have completed at least four courses of advanced work in English, have achieved an average of 3.0 in all English courses taken, and have attained a minimum cumulative average of 2.5. In addition he must have demonstrated a vital interest in literature and in the activities of the fraternity.

Art League

The Muhlenberg College Art League had its beginnings about mid-fall 1971. The purpose of the club is to promote interest in the arts such as painting, sculpture, pastels, and other areas through outings to various museums, through guest lecturers, and through group discussions concerning art. It is hoped that eventually the club will be able to con-

tribute money towards the purchase of equipment for the Art Department through the conducting of graphic art sales. All who have a genuine interest in art and art appreciation are invited to become active members.

Bike Club

During recent years there has appeared a marked increase in the popularity of the pastime of bicycling. One possible reason for this rising enthusiasm for bike riding can be attributed to the trend toward more nature-oriented life styles. Bicycling provides an opportunity for people with diversified ideas and interests to get together and enjoy their common enjoyment of biking. Camping, hiking,

touring, wearing the club tee-shirts, climbing unassailable hills, putting up with torrents of rain, and suffering the calamities of bicycle crashes are but a few of the extras that accompany this enjoyable activity. All are welcome to share in the amusing and often bizarre experiences which are part of this club.

Cardinal Key Society

In order to promote A GREATER MUHLENBERG, the Cardinal Key Society was organized in 1940 to serve the Muhlenberg family and its guest and visitors. As an honor society its membership consists of 13 men from each of the three upper classes. In the first semester, male freshmen who are interested in gaining membership undergo a period of pledgeship and during the second semester 13 are chosen. Associate and honorary memberships are given at the discretion of the society.

Ushering for campus activities such as the Concert Se-

ries, Freshman Week activities, dramatic productions and athletic contests, in addition to guidance for visitors and prospective students, are but a few of the assignments of Cardinal Key men.

Cardinal Key exists today as an indication of Muhlenberg's ideal: that undergraduates will grant prestige to service.

College Band

Instrumental ensembles at Muhlenberg College function within the context of the academic program of the Music Department, as part of the course of study leading to the Bachelor of Arts degree with a major in music. All qualified students, regardless of major, are invited to participate in the program, which divides its concentration between the traditional repertory and function of the Band, and that of the smaller chamber groups: woodwind and brass ensembles. A successful audition is required before registration for Music 87-88, Band (1 credit per year.)

The Institution of Sound

The Institution of Sound was started in 1967 as a reorganization of the College Glee Club. The group is a twenty voice mixed vocal group accompanied by piano, guitar, trumpet, and drums. Completely student run and financed, the group books concerts both on and off campus and has performed in the Philadelphia, Reading, Pottsville, and Lehigh Valley areas and has done two programs for National Educational Television.

The Institution of Sound concentrates on selections from the pop, jazz, folk, and show music fields. All mem-

bers must try out again each year. Therefore, freshman and transfers have an equal chance of becoming a member as any former group member. Anyone interested in trying out should watch for posters announcing tryout signups at the Union Desk, or contact the director, manager or secretary.

Mask and Dagger

Mask and Dagger is the official organization to promote an interest in dramatics and furnish an extracurricular outlet for those students who have dramatic ability. The club, created in 1932, enables students who desire to acquire a practical knowledge of the mechanics of play production to study all the arts connected with the presentation of the play.

Through this participation, students tend to develop a

greater appreciation of dramatics arts, its applications, influences, and knowledge of the great playwrights. A student is considered for membership after he has taken a major part in one production sponsored by the society, after two such minor roles, or after participation in the production of two society presentations.

Muhlenberg Ecology Action Group

The Muhlenberg Ecology Action Group was organized in the Spring of 1970. The objectives and purposes of the group are twofold: first, the education of the members and the community on environmental problems, and secondly, confrontation with the sources of environmental disruptions in hopes of finding suitable solutions. Membership in the group shall be open to any interested undergraduate of

the College, and all meetings and official functions of the group are open to the community. The meetings consist of discussions on environmental problems and frequently include speakers on various aspects of the environment and our relationship to it.

Muhlenberg Musical Association

Each spring the Muhlenberg Musical Association presents a recent popular musical for the college community. In the past few years such outstanding shows as Hello Dolly!, Gypsy, Canterbury Tales and Carnival have been staged. MMA draws its participants solely from the student body and is directed by a student. Due to a temporary

lack of adequate drama facilities, the production's success depends upon excellent acting and imaginative staging and choreography.

Who's Who in American Colleges and Universities

WMUH

WMUH is organized and run by the students of Muhlenberg College with studios located in the basement of the J. Conrad Seegers union. WMUH AM (640) serves the college campus on a 24 hour a day schedule of music and news. WMUH FM (89.7), a ten watt educational station, serves a potential audience of 200,000 people in the Lehigh Valley with a variety of programs during an 100 hour week.

WMUH AM (1949) and WMUH FM (1966) are affiliated with the Intercollegiate Broadcast System. The staff of over 60 members receive "on the Air" training in many of the major broadcasting fields. There are always positions open for people interested in announcing, engineering, writing, drama, sports, news, advertising sales, and secretarial work.

The proposed expansion of WMUH's focus is designed to better serve Muhlenberg College and the surrounding Lehigh Valley Community. This year WMUH is embarking on a new program of class-supplementary material.

All students with an interest in the many facets of radio broadcasting on WMUH are invited to join the staff.

Young Republicans' Club

The Young Republican Club of Muhlenberg College was established eight years ago with the intent of providing the students on this campus with a legitimate organization through which they could express their political views and opinions. The club, although equipped to give realistic experience in the world of politics for those people who are seeking a career in government, is open to students of all political orientations and can be of valuable assistance in the "grassroot" type training both on the state and local

levels.

In addition to the work involved in soliciting voters for the fall elections, a number of trips are taken each year to state and national conventions and leadership schools which usually mix an equal amount of political instruction with pleasure.

Opinions expressed are those of the weekly editorial board and its columnists and do not necessarily reflect the views of the student body or the administration. Owned and published by the students of Muhlenberg College, Allentown, Pennsylvania. Subscription — \$3.00 per year in advance. Entered as Third Class Matter, October 31, 1927, at the Post Office at Allentown, Pa., 18104, under the Act of Congress of March 3, 1879.

Attempting to achieve an intellectuality in reporting as well as in analytical and editorial writing, the *Weekly* staff publishes approximately 25 times each academic year. The *Weekly* is emphatically student-oriented. The newspaper, besides covering campus events, stresses issues on other campuses and in the nation in order to function as a comprehensive, independent paper.

Since 1883 the *Weekly* has continuously served the needs of Muhlenberg College. Writers, photographers, and business people are always needed on the staff. All faculty and students receive free copies every Thursday at the Union desk. Mail subscriptions are \$3.00.

Letters to the editor and commentaries are always welcomed if signed. Unsigned letters will not be printed although names will be withheld if requested. All letters over 300 words are subject to editing.

MUHLENBERG COLLEGE

Muhlenberg College's athletic teams logged an overall 68-68-5 record during the 1971-72 season. Men's inter-collegiate teams finished 58-59-4 while the women finished 10-9-1.

During the fall sports season cross country lead all teams posting a 9-4 won-lost record followed by football 5-4, and soccer 6-4-2. Bright individual performances were turned in by senior Ed DiYanni who was honored by his selection to numerous all-star teams and junior Ed Salo who received Academic All-American honors for the second consecutive year.

The excitement of previous winters was dampened by the fact that the basketball team, which previously recorded 3 consecutive MAC Southern Division Championships, failed to make the conference playoffs posting a 10-12 mark. The bright spot in their season was delivered by senior Frank Scagliotta who surpassed the 1,000 point mark making him the 9th leading scorer in Muhlenberg history. Although fencing finished with only a 4-4 seasonal record they managed a 4th place finish in the MAC championships and found an All-American in epee when Ed Battle returned from Chicago, site of the NCAA championships. Muhlenberg wrestlers posted a 2-6-1 overall record.

Spring saw Muhlenberg's defending MAC Southern Division baseball champions drop to a 7-6 conference record and finish 8-7 on the year. Similarly, lacrosse which boasted its first winning season in its history at Muhlenberg during 1970-71 dropped to a 1-7 seasonal record. Track finished 5-3, golf 3-7, while tennis provided the winning posting a 5-1-1 conference record.

In the women's program the tennis team finished as the only unbeaten team at the college posting a 4-0 mark. Women's basketball finished 5-4, while perennial winner field hockey managed only 1 win against 5 losses and a tie.

Outstanding individual contributions to the athletic program of the college were acknowledged at the All-Sports Banquet where Frank Scagliotta was chosen the outstanding senior male athlete and Beth Spaninger the outstanding female athlete. Jay Haines picked up similar honors as the outstanding junior and Ed DiYanni was the recipient of the Eastern Collegiate Athletic Conference merit medal.

The 1971-72 Muhlenberg football season was often referred to as the season of the big play. Both the big play and the excitement were there this year, for the fans as well as the players. Six out of the nine scheduled games were decided in the last minute and a half of play. It was that kind of season. The excitement of a game such as the opener against Johns Hopkins, won on a touchdown in the last crucial seconds, was contrasted with a heartbreaking loss to Ursinus on a field goal, booted with twenty-two seconds left.

Captained by halfback Tom Reilly and quarterback Ed DiYanni, the gridders captured a string of successes enabling the Mules to post their first back to back winning seasons in over twenty years. Highlighting the schedule was the Homecoming victory over Dickinson. This event celebrated the twenty-fifth anniversary of Muhlenberg's Tobacco Bowl victory. The Mules also surprised the statisticians by beating PMC, a team that by all rights should have easily defeated them.

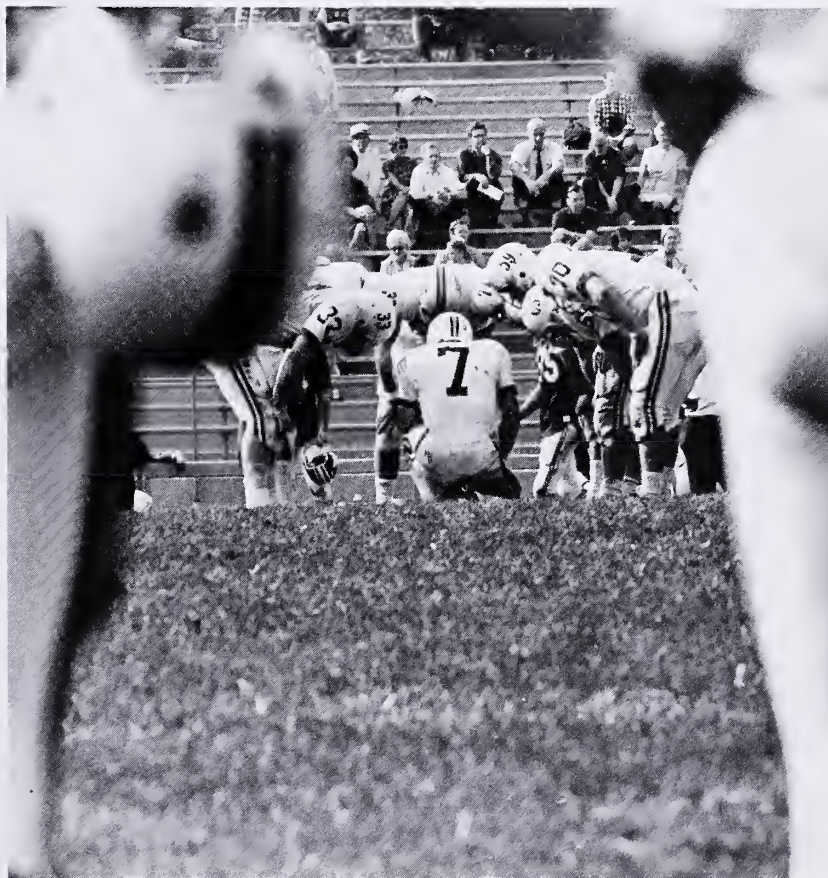

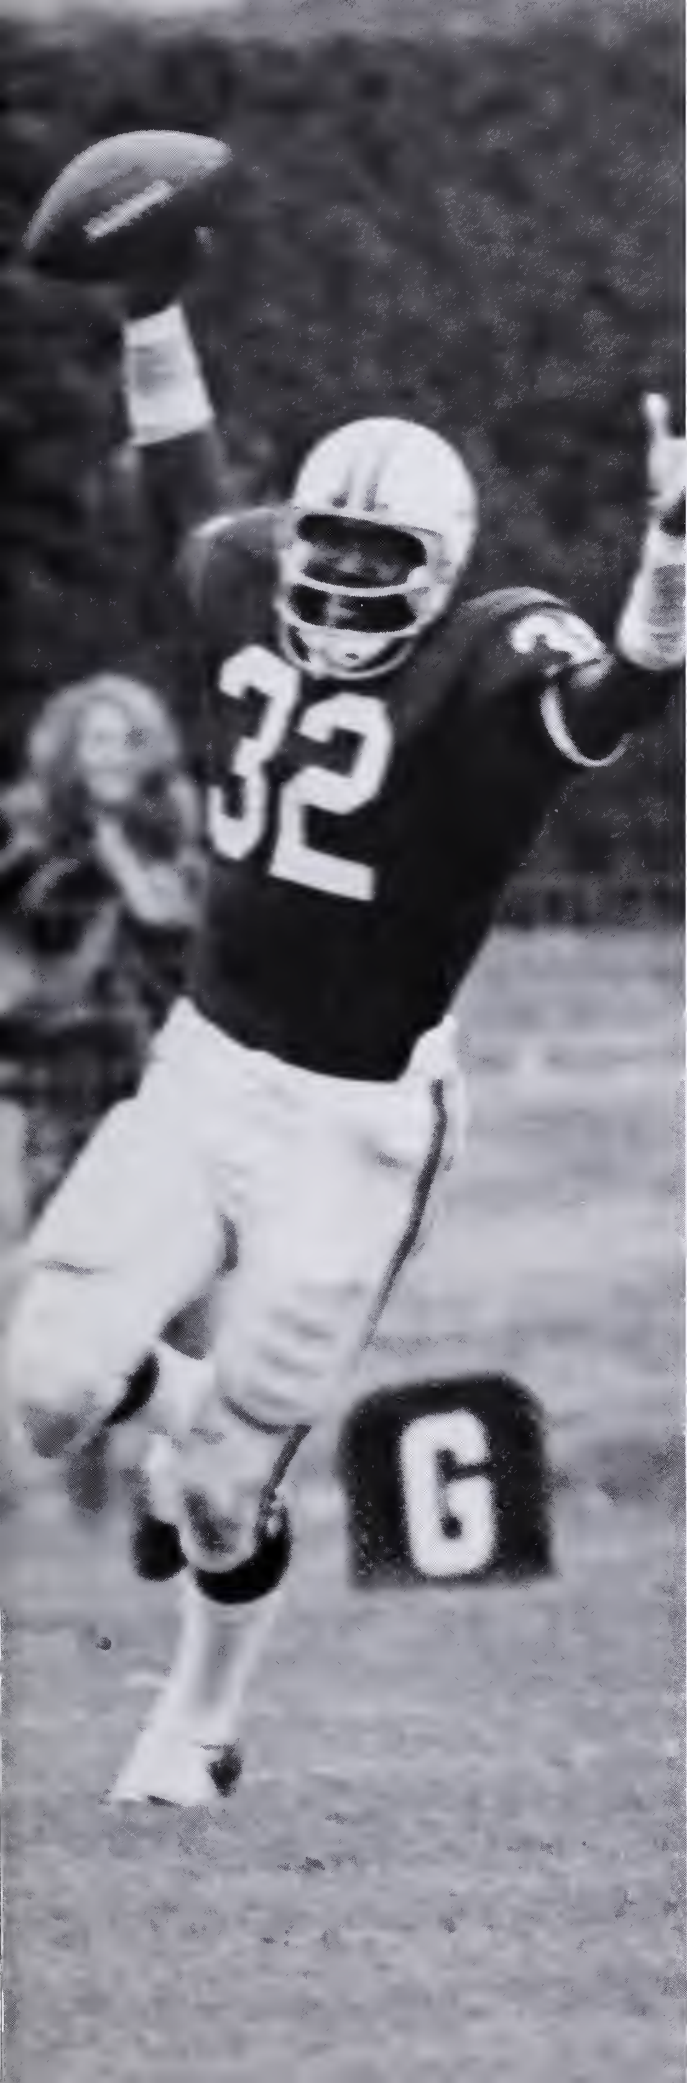

The sling-shot type of game, typical of the Mules, featured such offensive standouts as quarterback Ed DiYanni

and senior linesmen Carl Evans, George Wheeler, Dick Toth, Bob Major, Tom Dunkel and Bruce Weaver who was injured in mid-season. The excellent defensive line, composed of Tom Crockett, Ken Dick, Marshall Massa, Geoff Hamilton, Tom Reilly, Leon Gonzalez and Mike Bodnyk, also shared the glory noticeably in their holding of the highly rated PMC offense, thus insuring a Berg victory.

The honors reaped by the Mules speak for themselves. Quarterback Ed DiYanni set a new MAC passing record and made the N.J. All-American Team along with national star Ed Marinaro of Cornell. Joining DiYanni on the All-Conference Team were George Wheeler, Geoff Hamilton and Tom Crockett. Ed Salo made the Academic All American team for the second year and Carl Evans, a favorite target of DiYanni's, was the leading pass receiver in the league.

Head Coach Frank Marino did an outstanding job of molding the Mules into the kind of team that was capable of big plays at the right moment. It was that kind of season.

SOCCER

The 1971 Muhlenberg soccer team and Coach Lauchnor have well earned our heartiest congratulations again this year for successfully completing another season of well-played soccer. The team, always displaying outstanding group spirit, worked exceptionally well together in overcoming the obvious disadvantages of the loss of the experienced seniors of the 1970 M.A.C. championship team and of co-captain Steve Eaton injured early in the season. Somehow the smaller the possibility of having a winning season became the harder the dedicated players of the squad worked to achieve that goal.

The team consisting primarily of freshmen and sophomores had several outstanding players. Rob Richard led the offense by scoring twelve goals and by putting in a consistently fine performance. After several games the freshmen began working together effectively with Karl Bourdeau finishing up second in scoring. The defense was equally strong with senior co-captain Ken Veit's assured experience and the quality play of George Vasios and Ron Dolch. Considerable improvement was shown by Ron Laub, the most improved player of the year, and Dave Slider who filled in at goalie during Ken Veit's injury.

Coach Lauchnor's optimism at the start of the soccer season spread throughout the team instilling in the players a competitive, winning

spirit. This enthusiasm and dedication as well as Lauchnor's successful efforts at pulling together a strong team after last year's outstanding season can only be applauded.

CROSS COUNTRY

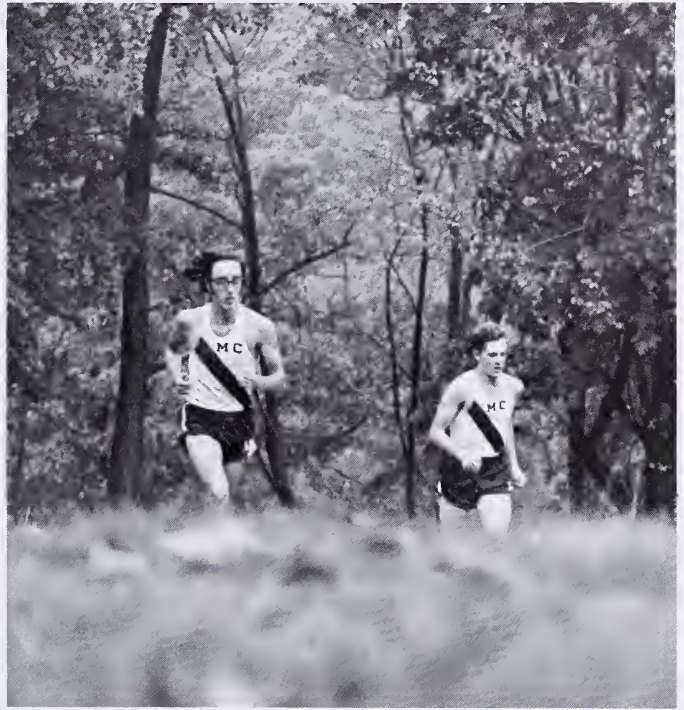

The cross country team under the direction of Coach William Flamish had one of their best seasons in a number of years, posting a 9-4 record. The harriers raced through their first eight meets without sustaining a loss. However, the team's eight game winning streak came to a sudden halt when the top five men — Captain Mike Cary, Rich Barrett, Bill Stedman, Steve Walters, and Russ Herwig — were plagued with illness and injury. It was during this time that the team despite the spirit and physical courage of the members of the team, suffered its four losses bowing to PMC, Swarthmore, and Franklin and Marshall.

WOMEN'S FIELD HOCKEY

This year's women's field hockey season was not one of great promise or cause for much optimism. A poor turnout, especially from the apparently well-qualified freshman class, forced the small squad to become even weaker. The unfortunate loss of senior goalie Pam Brindley set the pace for the remaining games with Muhlenberg coming out victorious only against Cedar Crest. Although Sue Landis was the squad's most outstandingly good player and Barb Gunning came forward as the leading scorer, our best players were still unable to get those necessary goals. Graduating seniors this year include Barb Breinig — right fullback, Robin Barbour — center forward, Kathy Topping — left wing and Karen Neyer — left halfback. The team will also be losing Debbie Ridley, a sophomore leaving Muhlenberg after this year.

We must, however, admire the team for their perserv-

erance despite their setbacks and their unlucky final standing. Miss Hecht hopes that all those girls who did not try out this year will reconsider in the fall and make 1972 a prosperous field hockey season.

BASKETBALL

As Coach Moyer summed up the 1971-72 basketball season, when it rained for the Muhlenberg hoopsters, it poured. Before the season had even begun the Mules were hampered by the loss of 2 of their 3 co-captains. Senior Joe Paul chose not to go out for the team while Dale Hava was forced to sit out the schedule with a leg injury. Only 4 upperclassmen — third co-captain Scagliotta, Haines, Miller, and Refsnyder — returned to lead the Mules.

Although the loss of these upperclassmen allowed Moyer to make use of freshmen Filipovits, Barile, Schmehl, and Sincavage, the lack of experience both

in the starting line-up and on the bench presented the Mules with their biggest problem — a lack of consistency in their ballplaying. A cold second half continually plagued the Mules and in the final tally the team lost 7 out of 8 games they were leading at half-time.

Frank Scagliotta ended his basketball career with a total of 1,132 points making him the 14th Muhlenberg player to score 1,000 points and gaining him a berth on this year's All Star team for the Southern MAC. Fellow guard Jay Haines also made the MAC honorable mention list.

WRESTLING

Hindered by inexperience, a rash of injuries, and only two returning seniors, the 1971-1972 Berg grapplers were able to end the season with a 2-6-1 record. The final results, however, do not do justice to the effort put forth by the team. Most of the matches were decided by six points or less.

Despite these drawbacks and disadvantages hampering the team as a whole, several individual wrestlers had exceptional seasons. Captain Judd Wampole, bothered by a recurring shoulder injury, was forced to miss the later part of the season. However, he did record the season's fastest fall in 1:58. Judd contributed to the team effort not only as a wrestler, but also as a leader and uniting force among the members of the team.

The team's other senior, Ken Dick, became the out-

standing wrestler of the season by posting a 9-0 individual record. Ken is the first undefeated wrestler Berg has seen in the last ten years. Not many college wrestlers can boast such a feat.

Coach Biddiscombe has high hopes for next year's team which will see the return of several underclassmen who put forth outstanding performances this season. Freshman Mike Kozo, who came back after a knee injury suffered before Christmas, to completed a 4-1 record, will return with his fellow classmate Tom Shapcott. Another frosh, Jim Gayds, gained the highest number of individual team points for the season with a total of 44. Joining these boys will be sophomore Randy Bush who scored 24 points in a single bout which captured the record for highest number of points scored in a bout.

FENCING

The 1972 season saw the 'Berg fencers record a .500 season which was stronger than the record indicates. After a 19-8 pre-season win over the Alumni, Coach Tony Santore's swordsmen carried off a strong 19-8 defeat of Haverford. Three very close losses followed, all of which were decided in the final bouts: Paterson 12-15, Johns Hopkins 13-14, and Stevens 11-16. An 18-9 defeat of Drew and a 10-17 loss to Temple meant that both remaining matches were needed to prevent a disappointing season. Lafayette fell to the 'Berg team 18-9 after a long ride to Easton through the worst snowstorm of the year; and nationally-ranked Montclair State became the final win when freshman Eddie Salkind scored the final touch in the final bout to pull off a stunning 14-13 upset. Result: 4 wins and 4

losses.

The 1972 MAC tournament ended with 'Berg improving their team standing over 1971, but finishing where expected — in fourth place — preventing the surprise that they had in store for the league. Eddie Battle missed repeating his gold medal by one bout and took the bronze.

The first full Muhlenberg fencing team to compete in the N.C.A.A. National Fencing Championships, seniors Fred Thomas (foil), Tom Hubbard (epee), and Eddie Battle (epee), returned from Chicago ranked 24th in the nation. But the most important honor was Eddie's winning a place on the 1972 All-American team on the basis of his 6th place finish.

WOMEN'S BASKETBALL

Cooperation, enthusiasm, and talent resulted in a winning season for the 1971-1972 Women's Basketball Team. Led by Captain Beth Spanninger, the team of five graduating seniors and two sophomores scrambled its way to a 5-4 season. Experience and a strong bench provided the key to this year's success. Seniors Beth Spanninger, Sharon Achando, Dia Ritter, Karen Kreamer and Merry Martin all returned to complete their fourth year of varsity basketball. Joining these girls on the starting line-up were sophomores Patsy Sullivan and Carol Hutchinson.

The high point of the season came when the girls' took the court against Elizabethtown, their traditional arch-rival. The team worked in close harmony to

keep the score close throughout the game and finally gained a 56-43 victory. The same game also saw Patsy Sullivan, high scorer for the team, surpass her own scoring record by pumping in 24 points for Berg. A first for the female cagers this season was the addition of Lafayette to their schedule. The team faced Lafayette twice and overpowered them both times. One of these games saw Beth Spanninger become the team's second high scorer with 15 points.

The 1971-1972 season resulted in an impressive string of victories for the team. Coach Hospodar praised the girls and four-year veteran managers Joey Klutz and Debbie "Duck" Huey for their dedication to the game and the team.

ICE HOCKEY

In its third year of existence, the Muhlenberg Ice Hockey Club continued its winning ways. The Mule skaters have played eleven games in those three years and have won ten and tied one.

This campaign the Hockey Club posted a 4-0 record. They opened with a tough 6-2 penalty-filled win over Reigelsville. The only other team that posed a threat to the Mules were the Spartans from the County College of Morris, New Jersey, who the skaters disposed of by a 6-2 count.

The Mules were led for the second year in a row by Bill Bilinkas, who tallied sixteen points on nine goals and seven assists. Bilinkas scored two goals in the first three games and came up with the hat-trick in the

finale over CCM. Freshman Chuck Beyer, who along with Bilinkas and Ken Heddan made up the first line for the Mules, accounted for nine points for the Mules with four goals and five assists.

Defensive standouts Geoff Hamilton and Lyle Allan each tallied seven points for the unbeaten Mules.

BASEBALL

The Muhlenberg baseball team had several tough breaks in big games this season and were only able to post an 8-7 record. Although they were in the running for the division championship until late in the season, the Mules were unable to regain their Southern Division title.

The campaign was marked by highs and lows. After a big win in the opener over Ursinus, the Mules were then downed by Albright 11-4. The big win of the season came over rival Moravian; the Mules defeated the previously unbeaten Greyhounds on a clutch ninth inning single by senior right-fielder Bob Major

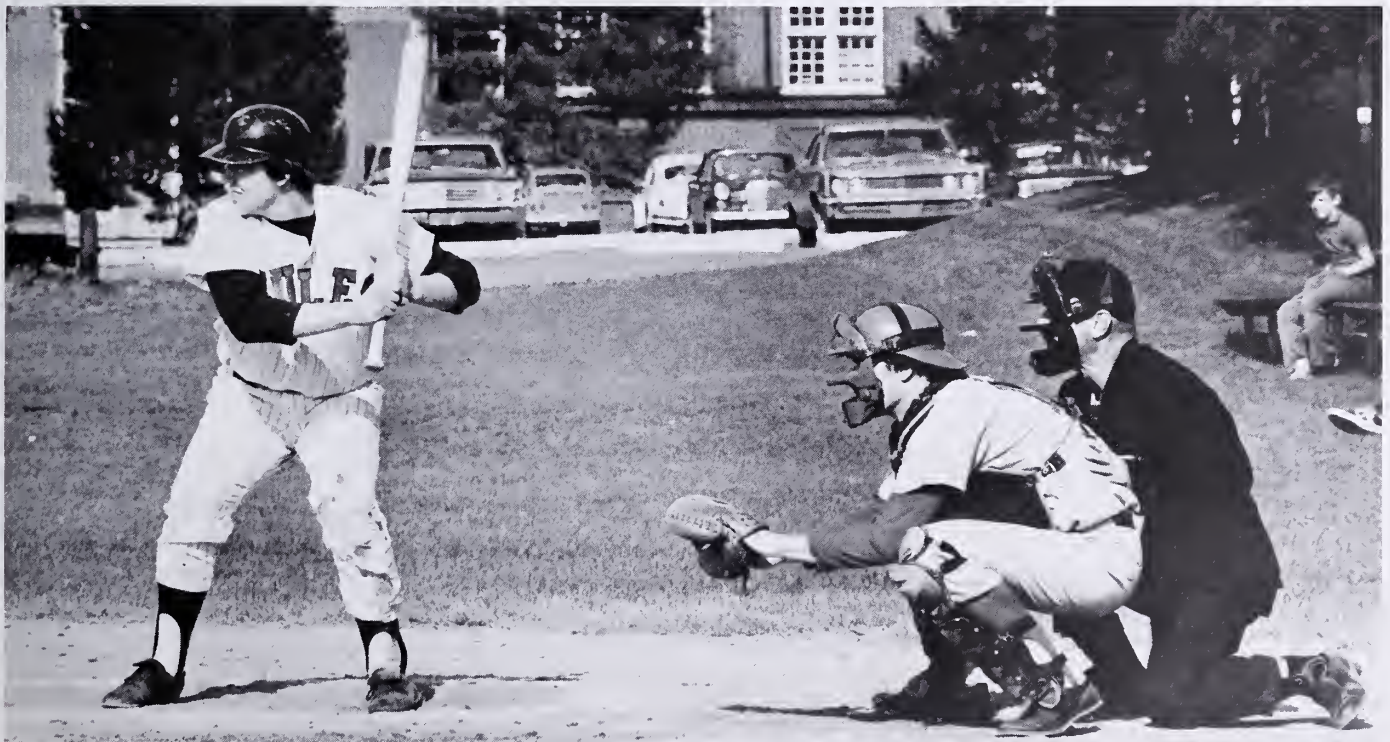

which gave the Mules a 5-4 victory. The leaders for the Mules were Ed DiYanni on the mound and second-baseman Wheeler who led the Mules at the plate. Ted Corvino, Ed Kalis, Jack Pritchard, and Bob Major again contributed greatly to the Mule cause. The addition of freshmen Jim Baum, Bill Filipovits, and Randy Boll gave Sam Beidleman's squad the depth and youth that is necessary for success in the future. The graduation of DiYanni, Wheeler, and Major will hurt the Mules; however, the seasoning of the underclassmen makes the future bright for the Mule nine.

LACROSSE

Despite the loss of last year's high scorer and the graduation of last year's captain, Muhlenberg lacrosse coach, Frank Marino, adopted a "wait and see" attitude about this year's team. According to Marino this year's schedule pitted the Mules against teams who would offer good competition without being out of the Mules' class.

Returning to lead the defense were captain Barry Evans at goalie, Bob Sexton, Ed Salo, Brett Decker, and Geoff Hamilton. Marino pointed to Dave Curry, Gil Livingston, and freshman Doug Cornwell to fill in the loss of last year's leading scorer, Carmen Grasso,

on the attack team. Freshmen were also expected to play key roles in helping out Andy Price and Carl Goeringer at midfield.

The Mule stickmen began their season with a decisive victory over Kutztown State as they trounced the Golden Bears 6-3. However, their season turned out to be more disappointing than their initial game led them to believe. Perhaps the biggest problem encountered by the Mules in season play was their inability to score in the second half of several of their games after being tied at the half.

TRACK

Coach William Flamish's track team was led by senior co-captains Frank Scagliotta and Paul Budline as it attempted to equal or better last year's 7-2 record. Although the team began the season with the leadership of Budline, the school's record-holder in the high jump, and Scagliotta, a versatile performer competing in long and triple jumps as well as sprints and relays, along with ten other lettermen, Flamish remained only cautiously optimistic because he feared a lack of depth.

The Mules suffered a season-opening loss to Franklin and Marshall 76-64, but they came back to rout

Lebanon Valley 107-38 and Swarthmore 80-64. The team's strength seemed to lie in the sprints where opponents in the first three meets were outscored 44-10 and in the three jumping events where opponents have been outscored 69-12. The weight men who had previously been considered relatively unknown quantities have also done unexpectedly well.

The team completed their season with a 5-3 record with the highlight of the season coming in the Haverford meet when Paul Budline broke his old high jump record with a jump of 6'5".

WOMEN'S TENNIS

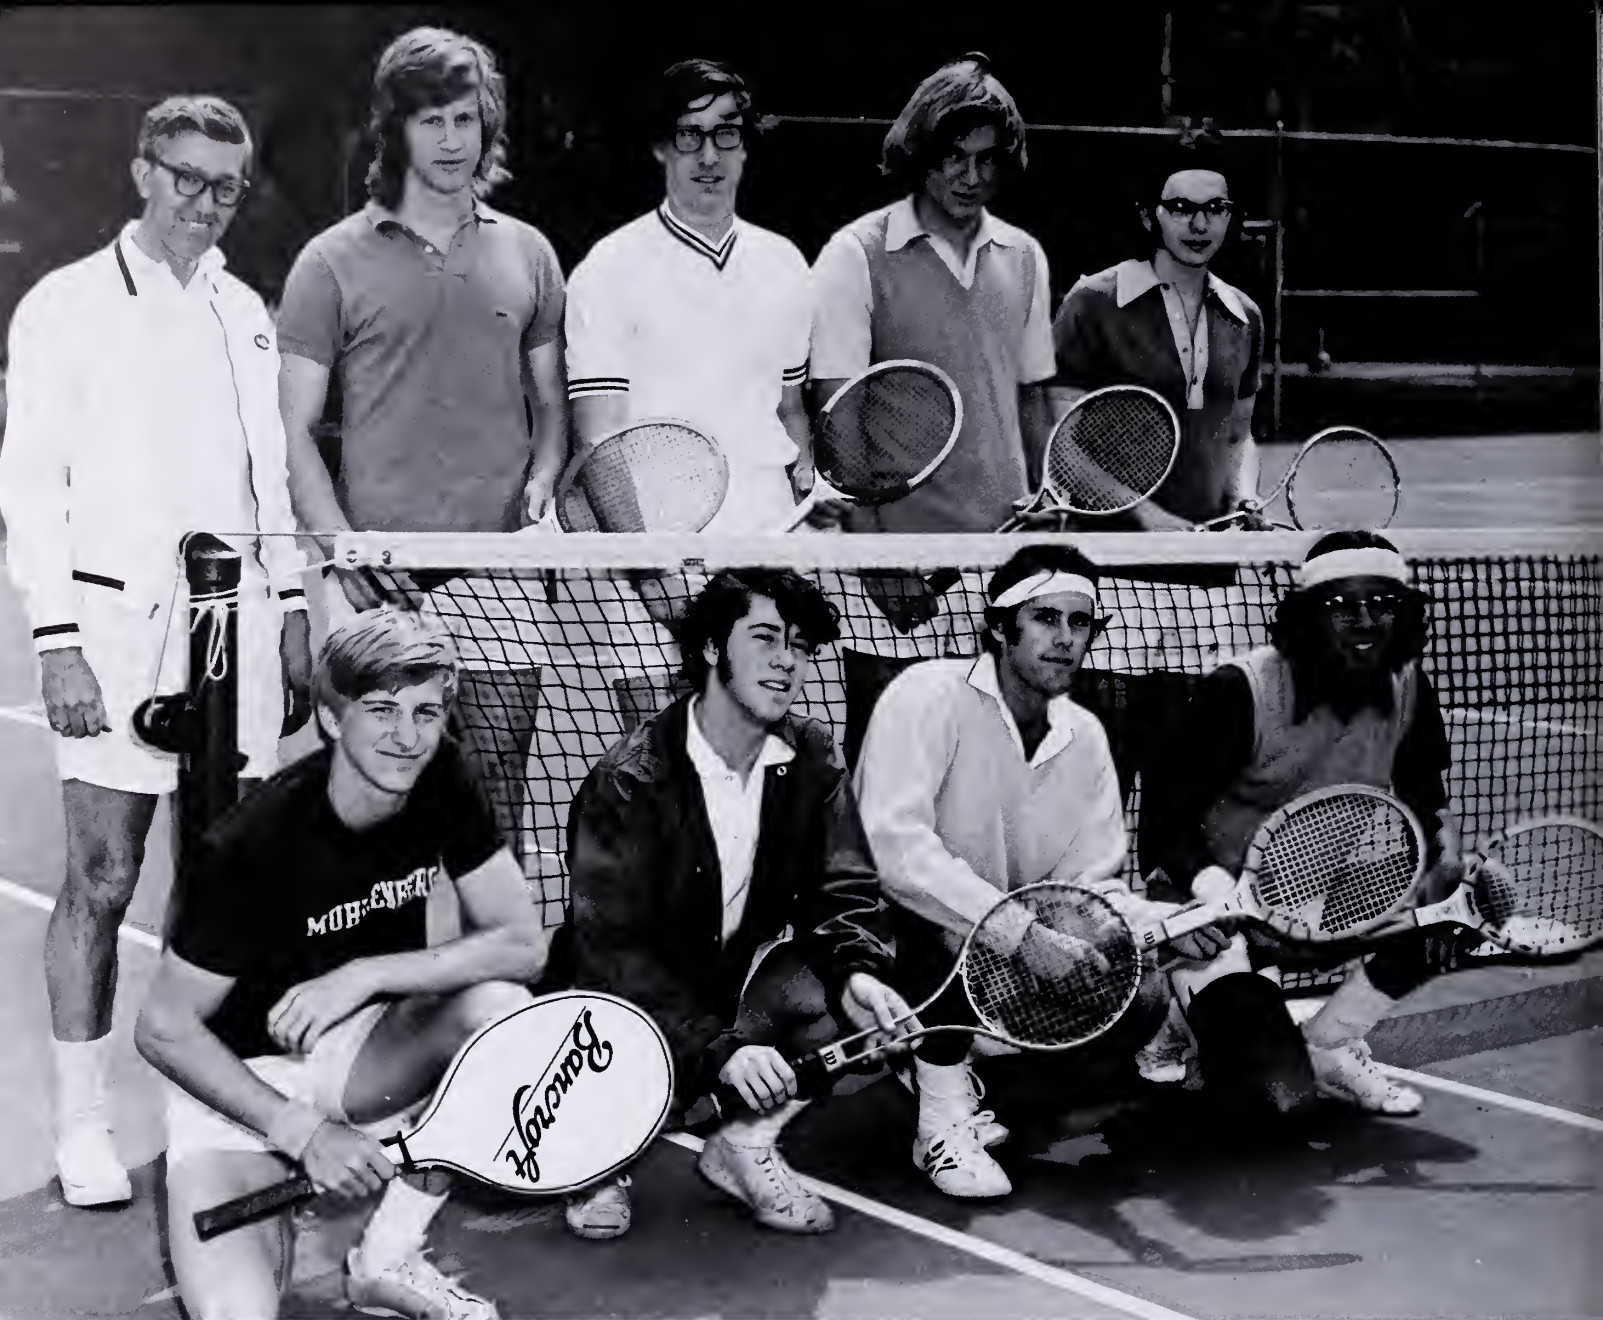

The women's tennis team under the direction of Jean Hecht was optimistic about the success of their season because of the return of several veterans. A number of talented freshmen came out to join sophomore Sue Landis, top singles player, senior Janet Pappas, and the doubles team of Sue Johnston and Audrey Highton.

The girls opened their season with a win over the netwomen of Fairleigh-Dickinson. The team's optimism was well founded since they finished their season 4-0. Sue Landis, Audrey Highton, and the doubles team of Sue Johnston and Janet Pappas remained undefeated.

MEN'S TENNIS

The Muhlenberg men's tennis team began this year's season with the attitude that when one's lost everything, there's nothing to be done but improve. Returning from the previous season were Marc Hellman, last year's number one player, Stan August, Terry Norcross, and R. D. Steele. The addition of a nucleus of freshmen — Joe Dixon, Gene Frank, Bob Hartshorn — and a previously ineligible junior, Ed Engelhart, made Coach Ken Webb express a degree of optimism.

The team was off to an auspicious start with the 6-3 victory over rival Moravian in the season opener. The

fine performance of freshmen Dixon, Gene Frank, and Hartshorn was good news for the Mules. The projected success of the netmen was quite in keeping with their final tally as they completed their season's play with a 4-0-1 record in the MAC competition and a 4-1-1 record overall. The once-beaten netmen were paced by the fine playing of Captain Marc Hellman who remained undefeated and maintained a record of not having lost a set in singles play. The duo of Hellman and Frank also completed the season with only one loss in doubles competition.

GOLF

Prospects appeared good for this year's golf team with a lot of talent returning to the green. Leading the contingent of returning letterman was Captain John Peterson who took the number one position this year. Other returning linksmen included Craig Aronchik, Nort Behney, and Tim Heiniman. Newcomers to the team were Chuck Diakon, Bill Butler, Gerry Alderman, and two promising freshmen — Joe Hacker and Ken Moyer, Jr.

Coach Davis expressed hopes that the team would do much better this season because of the new system of scoring by medals rather than match play. Mule golfers split their first two matches with a loss to Lehigh and a win over Ursinus. In two of their final matches — both tri-matches — they placed second.
